

LIFEWS AgriShine(TM) GrowMeal(TM)

Nursery N1-N3

VOCABULARY & CONCEPT SYSTEM

300 progressive vocabulary/concept entries

Use the vocabulary in context: introduce the word, connect it to a real garden object/process, let learners say or write it, use it during practical work, then revisit it in journals, missions and assessments.

Category	Entries
Engineering & Decision	4
Garden Foundations	165
Investigation & Research	20
Plant & Production	69
Soil / Growing Medium	21
Water & Irrigation	21

ID	Term / Concept	Meaning	Garden link
NV-0001	Seed Plant & Production	The plant structure that can begin a new plant.	Alphabet Garden
NV-0002	Root Plant & Production	The plant part that anchors the plant and takes up water and minerals.	Number Garden
NV-0003	Stem Plant & Production	The plant part that supports leaves and transports materials.	Geometry Garden
NV-0004	Leaf Plant & Production	A plant organ that captures light and exchanges gases.	Leaf Garden
NV-0005	Flower Plant & Production	The reproductive structure of many plants.	Butterfly Garden
NV-0006	Fruit Plant & Production	A plant structure that develops from a flower and contains or protects seeds.	ReBottle Garden
NV-0007	Soil Soil / Growing Medium	The natural material in which many plants grow, containing minerals, organic matter, water and air.	MicroGrow Garden
NV-0008	Water Water & Irrigation	A resource plants need for growth and transport of materials.	Mini Table Garden
NV-0009	Sunlight Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sunlight at the Nursery N1-N3 level.	Sack Garden
NV-0010	Plant Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant at the Nursery N1-N3 level.	Discovery Garden
NV-0011	Garden Garden Foundations	A planned growing or learning space associated with garden.	Alphabet Garden
NV-0012	Bed Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bed at the Nursery N1-N3 level.	Number Garden
NV-0013	Pot Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage pot at the Nursery N1-N3 level.	Geometry Garden
NV-0014	Sack Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sack at the Nursery N1-N3 level.	Leaf Garden
NV-0015	Bottle Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bottle at the Nursery N1-N3 level.	Butterfly Garden
NV-0016	Table Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage table at the Nursery N1-N3 level.	ReBottle Garden
NV-0017	Path Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage path at the Nursery N1-N3 level.	MicroGrow Garden
NV-0018	Tool Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage tool at the Nursery N1-N3 level.	Mini Table Garden
NV-0019	Hand Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage hand at the Nursery N1-N3 level.	Sack Garden
NV-0020	Glove Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage glove at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0021	Green Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage green at the Nursery N1-N3 level.	Alphabet Garden
NV-0022	Yellow Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage yellow at the Nursery N1-N3 level.	Number Garden
NV-0023	Red Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage red at the Nursery N1-N3 level.	Geometry Garden
NV-0024	Brown Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage brown at the Nursery N1-N3 level.	Leaf Garden
NV-0025	Wet Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage wet at the Nursery N1-N3 level.	Butterfly Garden
NV-0026	Dry Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage dry at the Nursery N1-N3 level.	ReBottle Garden
NV-0027	Soft Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage soft at the Nursery N1-N3 level.	MicroGrow Garden
NV-0028	Hard Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage hard at the Nursery N1-N3 level.	Mini Table Garden
NV-0029	Smooth Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage smooth at the Nursery N1-N3 level.	Sack Garden
NV-0030	Rough Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage rough at the Nursery N1-N3 level.	Discovery Garden
NV-0031	Small Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage small at the Nursery N1-N3 level.	Alphabet Garden
NV-0032	Big Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage big at the Nursery N1-N3 level.	Number Garden
NV-0033	Short Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage short at the Nursery N1-N3 level.	Geometry Garden
NV-0034	Tall Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage tall at the Nursery N1-N3 level.	Leaf Garden
NV-0035	Round Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage round at the Nursery N1-N3 level.	Butterfly Garden
NV-0036	Straight Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage straight at the Nursery N1-N3 level.	ReBottle Garden
NV-0037	Curved Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage curved at the Nursery N1-N3 level.	MicroGrow Garden
NV-0038	Wide Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage wide at the Nursery N1-N3 level.	Mini Table Garden
NV-0039	Narrow Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage narrow at the Nursery N1-N3 level.	Sack Garden
NV-0040	Same Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage same at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0041	Different Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage different at the Nursery N1-N3 level.	Alphabet Garden
NV-0042	One Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage one at the Nursery N1-N3 level.	Number Garden
NV-0043	Two Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage two at the Nursery N1-N3 level.	Geometry Garden
NV-0044	Three Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage three at the Nursery N1-N3 level.	Leaf Garden
NV-0045	Four Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage four at the Nursery N1-N3 level.	Butterfly Garden
NV-0046	Five Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage five at the Nursery N1-N3 level.	ReBottle Garden
NV-0047	Six Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage six at the Nursery N1-N3 level.	MicroGrow Garden
NV-0048	Seven Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage seven at the Nursery N1-N3 level.	Mini Table Garden
NV-0049	Eight Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage eight at the Nursery N1-N3 level.	Sack Garden
NV-0050	Nine Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage nine at the Nursery N1-N3 level.	Discovery Garden
NV-0051	Ten Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage ten at the Nursery N1-N3 level.	Alphabet Garden
NV-0052	Count Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage count at the Nursery N1-N3 level.	Number Garden
NV-0053	Match Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage match at the Nursery N1-N3 level.	Geometry Garden
NV-0054	Sort Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sort at the Nursery N1-N3 level.	Leaf Garden
NV-0055	Find Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage find at the Nursery N1-N3 level.	Butterfly Garden
NV-0056	Look Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage look at the Nursery N1-N3 level.	ReBottle Garden
NV-0057	Touch Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage touch at the Nursery N1-N3 level.	MicroGrow Garden
NV-0058	Draw Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage draw at the Nursery N1-N3 level.	Mini Table Garden
NV-0059	Say Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage say at the Nursery N1-N3 level.	Sack Garden
NV-0060	Care Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage care at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0061	Grow Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage grow at the Nursery N1-N3 level.	Alphabet Garden
NV-0062	Sprout Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sprout at the Nursery N1-N3 level.	Number Garden
NV-0063	Seedling Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage seedling at the Nursery N1-N3 level.	Geometry Garden
NV-0064	Bud Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bud at the Nursery N1-N3 level.	Leaf Garden
NV-0065	Petal Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage petal at the Nursery N1-N3 level.	Butterfly Garden
NV-0066	Vein Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage vein at the Nursery N1-N3 level.	ReBottle Garden
NV-0067	Edge Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage edge at the Nursery N1-N3 level.	MicroGrow Garden
NV-0068	Shape Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage shape at the Nursery N1-N3 level.	Mini Table Garden
NV-0069	Circle Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage circle at the Nursery N1-N3 level.	Sack Garden
NV-0070	Square Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage square at the Nursery N1-N3 level.	Discovery Garden
NV-0071	Triangle Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage triangle at the Nursery N1-N3 level.	Alphabet Garden
NV-0072	Line Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage line at the Nursery N1-N3 level.	Number Garden
NV-0073	Corner Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage corner at the Nursery N1-N3 level.	Geometry Garden
NV-0074	Side Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage side at the Nursery N1-N3 level.	Leaf Garden
NV-0075	Top Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage top at the Nursery N1-N3 level.	Butterfly Garden
NV-0076	Bottom Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bottom at the Nursery N1-N3 level.	ReBottle Garden
NV-0077	Inside Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage inside at the Nursery N1-N3 level.	MicroGrow Garden
NV-0078	Outside Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage outside at the Nursery N1-N3 level.	Mini Table Garden
NV-0079	Near Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage near at the Nursery N1-N3 level.	Sack Garden
NV-0080	Far Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage far at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0081	Butterfly Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage butterfly at the Nursery N1-N3 level.	Alphabet Garden
NV-0082	Bee Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bee at the Nursery N1-N3 level.	Number Garden
NV-0083	Ant Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage ant at the Nursery N1-N3 level.	Geometry Garden
NV-0084	Worm Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage worm at the Nursery N1-N3 level.	Leaf Garden
NV-0085	Bird Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bird at the Nursery N1-N3 level.	Butterfly Garden
NV-0086	Visitor Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage visitor at the Nursery N1-N3 level.	ReBottle Garden
NV-0087	Insect Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage insect at the Nursery N1-N3 level.	MicroGrow Garden
NV-0088	Label Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage label at the Nursery N1-N3 level.	Mini Table Garden
NV-0089	Letter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage letter at the Nursery N1-N3 level.	Sack Garden
NV-0090	Number Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage number at the Nursery N1-N3 level.	Discovery Garden
NV-0091	Name Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage name at the Nursery N1-N3 level.	Alphabet Garden
NV-0092	Color Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage color at the Nursery N1-N3 level.	Number Garden
NV-0093	Size Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage size at the Nursery N1-N3 level.	Geometry Garden
NV-0094	Texture Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage texture at the Nursery N1-N3 level.	Leaf Garden
NV-0095	Clean Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage clean at the Nursery N1-N3 level.	Butterfly Garden
NV-0096	Safe Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage safe at the Nursery N1-N3 level.	ReBottle Garden
NV-0097	Wash Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage wash at the Nursery N1-N3 level.	MicroGrow Garden
NV-0098	Share Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage share at the Nursery N1-N3 level.	Mini Table Garden
NV-0099	Observe Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage observe at the Nursery N1-N3 level.	Sack Garden
NV-0100	Basic Condition Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0101	Basic Response Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic response at the Nursery N1-N3 level.	Alphabet Garden
NV-0102	Basic Measurement Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic measurement at the Nursery N1-N3 level.	Number Garden
NV-0103	Basic Record Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic record at the Nursery N1-N3 level.	Geometry Garden
NV-0104	Basic Indicator Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0105	Basic Value Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic value at the Nursery N1-N3 level.	Butterfly Garden
NV-0106	Basic Change Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic change at the Nursery N1-N3 level.	ReBottle Garden
NV-0107	Basic Pattern Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0108	Basic Comparison Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0109	Basic Distribution Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic distribution at the Nursery N1-N3 level.	Sack Garden
NV-0110	Basic Performance Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic performance at the Nursery N1-N3 level.	Discovery Garden
NV-0111	Basic Quality Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0112	Basic Status Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic status at the Nursery N1-N3 level.	Number Garden
NV-0113	Basic Management Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic management at the Nursery N1-N3 level.	Geometry Garden
NV-0114	Basic Requirement Engineering & Decision	A GrowMeal concept used to observe, describe, measure, analyze or manage basic requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0115	Basic Limit Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0116	Basic Target Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic target at the Nursery N1-N3 level.	ReBottle Garden
NV-0117	Basic Threshold Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0118	Basic Efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for basic.	Mini Table Garden
NV-0119	Basic Productivity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic productivity at the Nursery N1-N3 level.	Sack Garden
NV-0120	Garden Condition Garden Foundations	A planned growing or learning space associated with garden condition.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0121	Garden Response Garden Foundations	A planned growing or learning space associated with garden response.	Alphabet Garden
NV-0122	Garden Measurement Garden Foundations	A planned growing or learning space associated with garden measurement.	Number Garden
NV-0123	Garden Record Garden Foundations	A planned growing or learning space associated with garden record.	Geometry Garden
NV-0124	Garden Indicator Garden Foundations	A planned growing or learning space associated with garden indicator.	Leaf Garden
NV-0125	Garden Value Garden Foundations	A planned growing or learning space associated with garden value.	Butterfly Garden
NV-0126	Garden Change Garden Foundations	A planned growing or learning space associated with garden change.	ReBottle Garden
NV-0127	Garden Pattern Garden Foundations	A planned growing or learning space associated with garden pattern.	MicroGrow Garden
NV-0128	Garden Comparison Garden Foundations	A planned growing or learning space associated with garden comparison.	Mini Table Garden
NV-0129	Garden Distribution Garden Foundations	A planned growing or learning space associated with garden distribution.	Sack Garden
NV-0130	Garden Performance Garden Foundations	A planned growing or learning space associated with garden performance.	Discovery Garden
NV-0131	Garden Quality Garden Foundations	A planned growing or learning space associated with garden quality.	Alphabet Garden
NV-0132	Garden Status Garden Foundations	A planned growing or learning space associated with garden status.	Number Garden
NV-0133	Garden Management Garden Foundations	A planned growing or learning space associated with garden management.	Geometry Garden
NV-0134	Garden Requirement Engineering & Decision	A planned growing or learning space associated with garden requirement.	Leaf Garden
NV-0135	Garden Limit Garden Foundations	A planned growing or learning space associated with garden limit.	Butterfly Garden
NV-0136	Garden Target Garden Foundations	A planned growing or learning space associated with garden target.	ReBottle Garden
NV-0137	Garden Threshold Garden Foundations	A planned growing or learning space associated with garden threshold.	MicroGrow Garden
NV-0138	Garden Efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for garden.	Mini Table Garden
NV-0139	Garden Productivity Garden Foundations	A planned growing or learning space associated with garden productivity.	Sack Garden
NV-0140	Plant Condition Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0141	Plant Response Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant response at the Nursery N1-N3 level.	Alphabet Garden
NV-0142	Plant Measurement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant measurement at the Nursery N1-N3 level.	Number Garden
NV-0143	Plant Record Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant record at the Nursery N1-N3 level.	Geometry Garden
NV-0144	Plant Indicator Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0145	Plant Value Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant value at the Nursery N1-N3 level.	Butterfly Garden
NV-0146	Plant Change Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant change at the Nursery N1-N3 level.	ReBottle Garden
NV-0147	Plant Pattern Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0148	Plant Comparison Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0149	Plant Distribution Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant distribution at the Nursery N1-N3 level.	Sack Garden
NV-0150	Plant Performance Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant performance at the Nursery N1-N3 level.	Discovery Garden
NV-0151	Plant Quality Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0152	Plant Status Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant status at the Nursery N1-N3 level.	Number Garden
NV-0153	Plant Management Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant management at the Nursery N1-N3 level.	Geometry Garden
NV-0154	Plant Requirement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0155	Plant Limit Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0156	Plant Target Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant target at the Nursery N1-N3 level.	ReBottle Garden
NV-0157	Plant Threshold Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0158	Plant Efficiency Plant & Production	A performance measure comparing useful output with the resource or input used for plant.	Mini Table Garden
NV-0159	Plant Productivity Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant productivity at the Nursery N1-N3 level.	Sack Garden
NV-0160	Crop Condition Plant & Production	A crop-production concept used to describe or evaluate crop condition.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0161	Crop Response Plant & Production	A crop-production concept used to describe or evaluate crop response.	Alphabet Garden
NV-0162	Crop Measurement Plant & Production	A crop-production concept used to describe or evaluate crop measurement.	Number Garden
NV-0163	Crop Record Plant & Production	A crop-production concept used to describe or evaluate crop record.	Geometry Garden
NV-0164	Crop Indicator Plant & Production	A crop-production concept used to describe or evaluate crop indicator.	Leaf Garden
NV-0165	Crop Value Plant & Production	A crop-production concept used to describe or evaluate crop value.	Butterfly Garden
NV-0166	Crop Change Plant & Production	A crop-production concept used to describe or evaluate crop change.	ReBottle Garden
NV-0167	Crop Pattern Plant & Production	A crop-production concept used to describe or evaluate crop pattern.	MicroGrow Garden
NV-0168	Crop Comparison Plant & Production	A crop-production concept used to describe or evaluate crop comparison.	Mini Table Garden
NV-0169	Crop Distribution Plant & Production	A crop-production concept used to describe or evaluate crop distribution.	Sack Garden
NV-0170	Crop Performance Plant & Production	A crop-production concept used to describe or evaluate crop performance.	Discovery Garden
NV-0171	Crop Quality Plant & Production	A crop-production concept used to describe or evaluate crop quality.	Alphabet Garden
NV-0172	Crop Status Plant & Production	A crop-production concept used to describe or evaluate crop status.	Number Garden
NV-0173	Crop Management Plant & Production	A crop-production concept used to describe or evaluate crop management.	Geometry Garden
NV-0174	Crop Requirement Plant & Production	A crop-production concept used to describe or evaluate crop requirement.	Leaf Garden
NV-0175	Crop Limit Plant & Production	A crop-production concept used to describe or evaluate crop limit.	Butterfly Garden
NV-0176	Crop Target Plant & Production	A crop-production concept used to describe or evaluate crop target.	ReBottle Garden
NV-0177	Crop Threshold Plant & Production	A crop-production concept used to describe or evaluate crop threshold.	MicroGrow Garden
NV-0178	Crop Efficiency Plant & Production	A performance measure comparing useful output with the resource or input used for crop.	Mini Table Garden
NV-0179	Crop Productivity Plant & Production	A crop-production concept used to describe or evaluate crop productivity.	Sack Garden
NV-0180	Soil Condition Soil / Growing Medium	A soil-related property, process or management concept: soil condition.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0181	Soil Response Soil / Growing Medium	A soil-related property, process or management concept: soil response.	Alphabet Garden
NV-0182	Soil Measurement Soil / Growing Medium	A soil-related property, process or management concept: soil measurement.	Number Garden
NV-0183	Soil Record Soil / Growing Medium	A soil-related property, process or management concept: soil record.	Geometry Garden
NV-0184	Soil Indicator Soil / Growing Medium	A soil-related property, process or management concept: soil indicator.	Leaf Garden
NV-0185	Soil Value Soil / Growing Medium	A soil-related property, process or management concept: soil value.	Butterfly Garden
NV-0186	Soil Change Soil / Growing Medium	A soil-related property, process or management concept: soil change.	ReBottle Garden
NV-0187	Soil Pattern Soil / Growing Medium	A soil-related property, process or management concept: soil pattern.	MicroGrow Garden
NV-0188	Soil Comparison Soil / Growing Medium	A soil-related property, process or management concept: soil comparison.	Mini Table Garden
NV-0189	Soil Distribution Soil / Growing Medium	A soil-related property, process or management concept: soil distribution.	Sack Garden
NV-0190	Soil Performance Soil / Growing Medium	A soil-related property, process or management concept: soil performance.	Discovery Garden
NV-0191	Soil Quality Soil / Growing Medium	A soil-related property, process or management concept: soil quality.	Alphabet Garden
NV-0192	Soil Status Soil / Growing Medium	A soil-related property, process or management concept: soil status.	Number Garden
NV-0193	Soil Management Soil / Growing Medium	A soil-related property, process or management concept: soil management.	Geometry Garden
NV-0194	Soil Requirement Soil / Growing Medium	A soil-related property, process or management concept: soil requirement.	Leaf Garden
NV-0195	Soil Limit Soil / Growing Medium	A soil-related property, process or management concept: soil limit.	Butterfly Garden
NV-0196	Soil Target Soil / Growing Medium	A soil-related property, process or management concept: soil target.	ReBottle Garden
NV-0197	Soil Threshold Soil / Growing Medium	A soil-related property, process or management concept: soil threshold.	MicroGrow Garden
NV-0198	Soil Efficiency Soil / Growing Medium	A performance measure comparing useful output with the resource or input used for soil.	Mini Table Garden
NV-0199	Soil Productivity Soil / Growing Medium	A soil-related property, process or management concept: soil productivity.	Sack Garden
NV-0200	Water Condition Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water condition.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0201	Water Response Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water response.	Alphabet Garden
NV-0202	Water Measurement Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water measurement.	Number Garden
NV-0203	Water Record Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water record.	Geometry Garden
NV-0204	Water Indicator Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water indicator.	Leaf Garden
NV-0205	Water Value Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water value.	Butterfly Garden
NV-0206	Water Change Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water change.	ReBottle Garden
NV-0207	Water Pattern Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water pattern.	MicroGrow Garden
NV-0208	Water Comparison Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water comparison.	Mini Table Garden
NV-0209	Water Distribution Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water distribution.	Sack Garden
NV-0210	Water Performance Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water performance.	Discovery Garden
NV-0211	Water Quality Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water quality.	Alphabet Garden
NV-0212	Water Status Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water status.	Number Garden
NV-0213	Water Management Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water management.	Geometry Garden
NV-0214	Water Requirement Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water requirement.	Leaf Garden
NV-0215	Water Limit Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water limit.	Butterfly Garden
NV-0216	Water Target Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water target.	ReBottle Garden
NV-0217	Water Threshold Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water threshold.	MicroGrow Garden
NV-0218	Water Efficiency Water & Irrigation	A performance measure comparing useful output with the resource or input used for water.	Mini Table Garden
NV-0219	Water Productivity Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water productivity.	Sack Garden
NV-0220	Root-Zone Condition Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0221	Root-Zone Response Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone response at the Nursery N1-N3 level.	Alphabet Garden
NV-0222	Root-Zone Measurement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone measurement at the Nursery N1-N3 level.	Number Garden
NV-0223	Root-Zone Record Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone record at the Nursery N1-N3 level.	Geometry Garden
NV-0224	Root-Zone Indicator Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0225	Root-Zone Value Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone value at the Nursery N1-N3 level.	Butterfly Garden
NV-0226	Root-Zone Change Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone change at the Nursery N1-N3 level.	ReBottle Garden
NV-0227	Root-Zone Pattern Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0228	Root-Zone Comparison Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0229	Root-Zone Distribution Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone distribution at the Nursery N1-N3 level.	Sack Garden
NV-0230	Root-Zone Performance Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone performance at the Nursery N1-N3 level.	Discovery Garden
NV-0231	Root-Zone Quality Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0232	Root-Zone Status Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone status at the Nursery N1-N3 level.	Number Garden
NV-0233	Root-Zone Management Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone management at the Nursery N1-N3 level.	Geometry Garden
NV-0234	Root-Zone Requirement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0235	Root-Zone Limit Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0236	Root-Zone Target Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone target at the Nursery N1-N3 level.	ReBottle Garden
NV-0237	Root-Zone Threshold Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0238	Root-Zone Efficiency Plant & Production	A performance measure comparing useful output with the resource or input used for root-zone.	Mini Table Garden
NV-0239	Root-Zone Productivity Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root-zone productivity at the Nursery N1-N3 level.	Sack Garden
NV-0240	Field Condition Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0241	Field Response Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field response at the Nursery N1-N3 level.	Alphabet Garden
NV-0242	Field Measurement Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field measurement at the Nursery N1-N3 level.	Number Garden
NV-0243	Field Record Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field record at the Nursery N1-N3 level.	Geometry Garden
NV-0244	Field Indicator Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0245	Field Value Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field value at the Nursery N1-N3 level.	Butterfly Garden
NV-0246	Field Change Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field change at the Nursery N1-N3 level.	ReBottle Garden
NV-0247	Field Pattern Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0248	Field Comparison Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0249	Field Distribution Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field distribution at the Nursery N1-N3 level.	Sack Garden
NV-0250	Field Performance Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field performance at the Nursery N1-N3 level.	Discovery Garden
NV-0251	Field Quality Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0252	Field Status Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field status at the Nursery N1-N3 level.	Number Garden
NV-0253	Field Management Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field management at the Nursery N1-N3 level.	Geometry Garden
NV-0254	Field Requirement Engineering & Decision	A GrowMeal concept used to observe, describe, measure, analyze or manage field requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0255	Field Limit Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0256	Field Target Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field target at the Nursery N1-N3 level.	ReBottle Garden
NV-0257	Field Threshold Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0258	Field Efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for field.	Mini Table Garden
NV-0259	Field Productivity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage field productivity at the Nursery N1-N3 level.	Sack Garden
NV-0260	Sample Condition Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0261	Sample Response Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample response at the Nursery N1-N3 level.	Alphabet Garden
NV-0262	Sample Measurement Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample measurement at the Nursery N1-N3 level.	Number Garden
NV-0263	Sample Record Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample record at the Nursery N1-N3 level.	Geometry Garden
NV-0264	Sample Indicator Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0265	Sample Value Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample value at the Nursery N1-N3 level.	Butterfly Garden
NV-0266	Sample Change Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample change at the Nursery N1-N3 level.	ReBottle Garden
NV-0267	Sample Pattern Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0268	Sample Comparison Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0269	Sample Distribution Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample distribution at the Nursery N1-N3 level.	Sack Garden
NV-0270	Sample Performance Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample performance at the Nursery N1-N3 level.	Discovery Garden
NV-0271	Sample Quality Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0272	Sample Status Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample status at the Nursery N1-N3 level.	Number Garden
NV-0273	Sample Management Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample management at the Nursery N1-N3 level.	Geometry Garden
NV-0274	Sample Requirement Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0275	Sample Limit Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0276	Sample Target Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample target at the Nursery N1-N3 level.	ReBottle Garden
NV-0277	Sample Threshold Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0278	Sample Efficiency Investigation & Research	A performance measure comparing useful output with the resource or input used for sample.	Mini Table Garden
NV-0279	Sample Productivity Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample productivity at the Nursery N1-N3 level.	Sack Garden
NV-0280	Treatment Condition Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment condition at the Nursery N1-N3 level.	Discovery Garden

ID	Term / Concept	Meaning	Garden link
NV-0281	Treatment Response Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment response at the Nursery N1-N3 level.	Alphabet Garden
NV-0282	Treatment Measurement Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment measurement at the Nursery N1-N3 level.	Number Garden
NV-0283	Treatment Record Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment record at the Nursery N1-N3 level.	Geometry Garden
NV-0284	Treatment Indicator Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment indicator at the Nursery N1-N3 level.	Leaf Garden
NV-0285	Treatment Value Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment value at the Nursery N1-N3 level.	Butterfly Garden
NV-0286	Treatment Change Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment change at the Nursery N1-N3 level.	ReBottle Garden
NV-0287	Treatment Pattern Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment pattern at the Nursery N1-N3 level.	MicroGrow Garden
NV-0288	Treatment Comparison Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment comparison at the Nursery N1-N3 level.	Mini Table Garden
NV-0289	Treatment Distribution Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment distribution at the Nursery N1-N3 level.	Sack Garden
NV-0290	Treatment Performance Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment performance at the Nursery N1-N3 level.	Discovery Garden
NV-0291	Treatment Quality Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment quality at the Nursery N1-N3 level.	Alphabet Garden
NV-0292	Treatment Status Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment status at the Nursery N1-N3 level.	Number Garden
NV-0293	Treatment Management Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment management at the Nursery N1-N3 level.	Geometry Garden
NV-0294	Treatment Requirement Engineering & Decision	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment requirement at the Nursery N1-N3 level.	Leaf Garden
NV-0295	Treatment Limit Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment limit at the Nursery N1-N3 level.	Butterfly Garden
NV-0296	Treatment Target Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment target at the Nursery N1-N3 level.	ReBottle Garden
NV-0297	Treatment Threshold Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment threshold at the Nursery N1-N3 level.	MicroGrow Garden
NV-0298	Treatment Efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for treatment.	Mini Table Garden
NV-0299	Treatment Productivity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage treatment productivity at the Nursery N1-N3 level.	Sack Garden
NV-0300	System Condition Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage system condition at the Nursery N1-N3 level.	Discovery Garden
