

SEE DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then see one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

TD-051 | OBSERVE -> CHECK -> CLOSE

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

SAY DEMONSTRATION

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

COUNT DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then count one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

MATCH DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then match one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

SORT DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then sort one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

COMPARE DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then compare one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

TD-057 | OBSERVE -> CHECK -> CLOSE

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

DRAW DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then draw one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.

CARE DEMONSTRATION

Nursery | ReBottle Garden

SET UP

Choose 1-3 safe examples of reused bottle planters. Keep the group close and materials simple.

DEMONSTRATE

Model how to look carefully, then care one example. Use short sentences and point as you speak.

ASK

What do you see? Can you show me? How many? What is the same or different?

OBSERVE

Look for safe participation, correct pointing/matching/counting and one clear spoken or drawn observation.

CHECK LEARNING

Learner can show or tell one correct thing without damaging the garden.

CLOSE

Repeat the key word, praise careful observation, complete one tiny care action and wash hands.

LINK THE LEARNING

Record evidence in the GrowMeal journal -> assign the related Garden Mission Card -> use the matching practical/data/problem-solving assessment item.
