WELCOME TO MY GARDEN JOURNAL

This journal helps me look carefully at the garden, draw what I see, count simple things, notice colors and shapes, and tell an adult what I discovered.

My Garden Rules

- I walk carefully in the garden.
- I listen to my teacher or helper.
- I look before I touch.
- I do not taste plants unless my teacher says it is safe.
- I observe insects without hurting them.
- I wash my hands after garden activities.

DRAW YOURSELF LEARNING SAFELY IN THE GARDEN

HOW I USE THIS JOURNAL

LOOK - Use your eyes to notice plants, soil, water, shapes, colors and small garden visitors.

DRAW - Make a picture of what you observed.

COUNT - Count leaves, seeds, flowers, containers or other simple garden objects.

COLOR - Use colors to show what you really observed.

TELL - Tell your teacher, helper or friend what you noticed.

My observation promise: I will look carefully and tell what I really see.
