

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Alphabet Food Garden

Observe crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-101 - MISSION PATH

DO 1. Observe the assigned area. 2. Observe using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.

PROVE Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.

SUCCESS My record is complete, my numbers or observations are clear, and my explanation uses evidence.

SAFETY Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

ALPHABET DATA MISSION

PRIMARY 1-3 | Alphabet Food Garden

Count crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-102 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Alphabet Food Garden

Measure crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-103 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Alphabet Food Garden

Compare crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-104 - MISSION PATH

DO 1. Observe the assigned area. 2. Compare using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.

PROVE Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.

SUCCESS My record is complete, my numbers or observations are clear, and my explanation uses evidence.

SAFETY Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

ALPHABET DATA MISSION

PRIMARY 1-3 | Alphabet Food Garden

Record crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-105 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Alphabet Food Garden

Map crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-106 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Alphabet Food Garden

Check crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-107 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

ALPHABET DATA MISSION

PRIMARY 1-3 | Alphabet Food Garden

Improve crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-108 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Alphabet Food Garden

Explain crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-109 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Alphabet Food Garden

Challenge crop names and food-garden vocabulary. Collect simple evidence and use it to answer a garden question.

MISSION KIT plant labels, notebook, pencil

EVIDENCE word, label or crop-name evidence

GM-110 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using plant labels, notebook, pencil. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing word, label or crop-name evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use correct garden words. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Alphabet Food Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Number Food Garden

Observe counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-111 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

NUMBER DATA MISSION

PRIMARY 1-3 | Number Food Garden

Count counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-112 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Number Food Garden

Measure counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-113 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Number Food Garden

Compare counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-114 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

NUMBER DATA MISSION

PRIMARY 1-3 | Number Food Garden

Record counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-115 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Number Food Garden

Map counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-116 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Number Food Garden

Check counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-117 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

NUMBER DATA MISSION

PRIMARY 1-3 | Number Food Garden

Improve counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-118 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Number Food Garden

Explain counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-119 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Number Food Garden

Challenge counting and simple garden data. Collect simple evidence and use it to answer a garden question.

MISSION KIT plants, ruler, tally sheet

EVIDENCE count, height or simple total

GM-120 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using plants, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing count, height or simple total.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Record numbers with units when needed. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Number Food Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Geometry Garden

Observe shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-121 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

GEOMETRY DATA MISSION

PRIMARY 1-3 | Geometry Garden

Count shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-122 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Geometry Garden

Measure shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-123 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Geometry Garden

Compare shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-124 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

GEOMETRY DATA MISSION

PRIMARY 1-3 | Geometry Garden

Record shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-125 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Geometry Garden

Map shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-126 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Geometry Garden

Check shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-127 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

GEOMETRY DATA MISSION

PRIMARY 1-3 | Geometry Garden

Improve shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-128 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Geometry Garden

Explain shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-129 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Geometry Garden

Challenge shapes and garden spaces. Collect simple evidence and use it to answer a garden question.

MISSION KIT beds, paths, containers

EVIDENCE shape, side, corner or length

GM-130 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using beds, paths, containers. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing shape, side, corner or length.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use shapes to describe. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Geometry Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Leaf Garden

Observe leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-131 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

LEAF DATA MISSION

PRIMARY 1-3 | Leaf Garden

Count leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-132 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Leaf Garden

Measure leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-133 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Leaf Garden

Compare leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-134 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

LEAF DATA MISSION

PRIMARY 1-3 | Leaf Garden

Record leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-135 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Leaf Garden

Map leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-136 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Leaf Garden

Check leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-137 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

LEAF DATA MISSION

PRIMARY 1-3 | Leaf Garden

Improve leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-138 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Leaf Garden

Explain leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-139 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Leaf Garden

Challenge leaf form and change. Collect simple evidence and use it to answer a garden question.

MISSION KIT safe leaves, plants

EVIDENCE leaf size, shape, color or texture

GM-140 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using safe leaves, plants. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing leaf size, shape, color or texture.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Look without damaging. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Leaf Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Pollinator Garden

Observe flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-141 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

POLLINATOR DATA MISSION

PRIMARY 1-3 | Pollinator Garden

Count flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-142 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Pollinator Garden

Measure flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-143 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Pollinator Garden

Compare flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-144 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

POLLINATOR DATA MISSION

PRIMARY 1-3 | Pollinator Garden

Record flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-145 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Pollinator Garden

Map flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-146 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Pollinator Garden

Check flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-147 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

POLLINATOR DATA MISSION

PRIMARY 1-3 | Pollinator Garden

Improve flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-148 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Pollinator Garden

Explain flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-149 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Pollinator Garden

Challenge flowers and pollinator activity. Collect simple evidence and use it to answer a garden question.

MISSION KIT flowers, timer, tally sheet

EVIDENCE flower count or visitor tally

GM-150 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using flowers, timer, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing flower count or visitor tally.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Observe from a safe distance. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Pollinator Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Raised Food Garden

Observe raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-151 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

RAISED DATA MISSION

PRIMARY 1-3 | Raised Food Garden

Count raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-152 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Raised Food Garden

Measure raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-153 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Raised Food Garden

Compare raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-154 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

RAISED DATA MISSION

PRIMARY 1-3 | Raised Food Garden

Record raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-155 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Raised Food Garden

Map raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-156 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Raised Food Garden

Check raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-157 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

RAISED DATA MISSION

PRIMARY 1-3 | Raised Food Garden

Improve raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-158 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Raised Food Garden

Explain raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-159 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Raised Food Garden

Challenge raised-bed production. Collect simple evidence and use it to answer a garden question.

MISSION KIT ruler, plants, bed

EVIDENCE height, spacing, moisture or harvest evidence

GM-160 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using ruler, plants, bed. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing height, spacing, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Use tools safely. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Raised Food Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | ReBottle Wall Garden

Observe vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-161 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

REBOTTLE DATA MISSION

PRIMARY 1-3 | ReBottle Wall Garden

Count vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-162 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | ReBottle Wall Garden

Measure vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-163 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | ReBottle Wall Garden

Compare vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-164 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

REBOTTLE DATA MISSION

PRIMARY 1-3 | ReBottle Wall Garden

Record vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-165 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | ReBottle Wall Garden

Map vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-166 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | ReBottle Wall Garden

Check vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-167 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

REBOTTLE DATA MISSION

PRIMARY 1-3 | ReBottle Wall Garden

Improve vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-168 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | ReBottle Wall Garden

Explain vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-169 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | ReBottle Wall Garden

Challenge vertical reused-container growing. Collect simple evidence and use it to answer a garden question.

MISSION KIT wall planters, ruler, observation sheet

EVIDENCE level, drainage or growth evidence

GM-170 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using wall planters, ruler, observation sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing level, drainage or growth evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not alter mounted supports. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the ReBottle Wall Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Sack GrowBag Garden

Observe growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-171 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

SACK DATA MISSION

PRIMARY 1-3 | Sack GrowBag Garden

Count growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-172 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Sack GrowBag Garden

Measure growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-173 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Sack GrowBag Garden

Compare growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-174 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

SACK DATA MISSION

PRIMARY 1-3 | Sack GrowBag Garden

Record growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-175 - MISSION PATH

DO 1. Observe the assigned area. 2. Record using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.

PROVE Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.

SUCCESS My record is complete, my numbers or observations are clear, and my explanation uses evidence.

SAFETY Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Sack GrowBag Garden

Map growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-176 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Sack GrowBag Garden

Check growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-177 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

SACK DATA MISSION

PRIMARY 1-3 | Sack GrowBag Garden

Improve growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-178 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Sack GrowBag Garden

Explain growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-179 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Sack GrowBag Garden

Challenge growbag production. Collect simple evidence and use it to answer a garden question.

MISSION KIT growbag, ruler, tally sheet

EVIDENCE opening, height, moisture or harvest evidence

GM-180 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using growbag, ruler, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing opening, height, moisture or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Do not lift filled growbags. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Sack GrowBag Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Ground Production Garden

Observe row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-181 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

GROUND DATA MISSION

PRIMARY 1-3 | Ground Production Garden

Count row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-182 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Ground Production Garden

Measure row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-183 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Ground Production Garden

Compare row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-184 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

GROUND DATA MISSION

PRIMARY 1-3 | Ground Production Garden

Record row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-185 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Ground Production Garden

Map row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-186 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Ground Production Garden

Check row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-187 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

GROUND DATA MISSION

PRIMARY 1-3 | Ground Production Garden

Improve row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-188 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Ground Production Garden

Explain row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-189 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Ground Production Garden

Challenge row-based crop production. Collect simple evidence and use it to answer a garden question.

MISSION KIT row, ruler/tape, tally sheet

EVIDENCE row length, spacing, stand or harvest evidence

GM-190 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using row, ruler/tape, tally sheet. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing row length, spacing, stand or harvest evidence.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Stay on paths where provided. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Ground Production Garden and explain why it may help.

OBSERVE THE EVIDENCE

PRIMARY 1-3 | Discovery Production Garden

Observe student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-191 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Observe using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

DISCOVERY DATA MISSION

PRIMARY 1-3 | Discovery Production Garden

Count student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-192 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Count using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

MEASURE & EXPLAIN

PRIMARY 1-3 | Discovery Production Garden

Measure student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-193 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Measure using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

COMPARE THE EVIDENCE

PRIMARY 1-3 | Discovery Production Garden

Compare student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-194 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Compare using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

DISCOVERY DATA MISSION

PRIMARY 1-3 | Discovery Production Garden

Record student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-195 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Record using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

MAP & EXPLAIN

PRIMARY 1-3 | Discovery Production Garden

Map student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-196 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Map using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

CHECK THE EVIDENCE

PRIMARY 1-3 | Discovery Production Garden

Check student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-197 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Check using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

DISCOVERY DATA MISSION

PRIMARY 1-3 | Discovery Production Garden

Improve student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-198 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Improve using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

EXPLAIN & EXPLAIN

PRIMARY 1-3 | Discovery Production Garden

Explain student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-199 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Explain using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.

CHALLENGE THE EVIDENCE

PRIMARY 1-3 | Discovery Production Garden

Challenge student-led production questions. Collect simple evidence and use it to answer a garden question.

MISSION KIT garden plot, notebook, simple tools

EVIDENCE a measurable observation or comparison

GM-200 - MISSION PATH

- DO** 1. Observe the assigned area. 2. Challenge using garden plot, notebook, simple tools. 3. Record at least two observations or measurements. 4. Compare the results. 5. Explain what the evidence shows.
- PROVE** Submit a drawing, tally, measurement table or short explanation showing a measurable observation or comparison.
- SUCCESS** My record is complete, my numbers or observations are clear, and my explanation uses evidence.
- SAFETY** Choose a safe test. Follow teacher instructions and school garden safety rules.

AGRISHINE TASK

Identify one small, safe improvement or care action for the Discovery Production Garden and explain why it may help.
