Primary 1-3 VOCABULARY & CONCEPT SYSTEM

600 progressive vocabulary/concept entries

Use the vocabulary in context: introduce the word, connect it to a real garden object/process, let learners say or write it, use it during practical work, then revisit it in journals, missions and assessments.

ID	Term / Concept	Meaning	Garden link
PV1-0001	seed Plant & Production	The plant structure that can begin a new plant.	Alphabet Food Garden
PV1-0002	germination Garden Foundations	The process by which a seed begins to grow.	Number Food Garden
PV1-0003	seedling Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage seedling at the Primary 1-3 level.	Geometry Garden
PV1-0004	root Plant & Production	The plant part that anchors the plant and takes up water and minerals.	Leaf Garden
PV1-0005	root hair Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage root hair at the Primary 1-3 level.	Pollinator Garden
PV1-0006	stem Plant & Production	The plant part that supports leaves and transports materials.	Raised Food Garden
PV1-0007	node Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage node at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0008	leaf Plant & Production	A plant organ that captures light and exchanges gases.	Sack GrowBag Garden
PV1-0009	leaf blade Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage leaf blade at the Primary 1-3 level.	Ground Production Garden
PV1-0010	leaf vein Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage leaf vein at the Primary 1-3 level.	Discovery Production Garden
PV1-0011	flower Plant & Production	The reproductive structure of many plants.	Alphabet Food Garden
PV1-0012	petal Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage petal at the Primary 1-3 level.	Number Food Garden
PV1-0013	pollen Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage pollen at the Primary 1-3 level.	Geometry Garden
PV1-0014	pollinator Garden Foundations	An animal that transfers pollen between flowers.	Leaf Garden
PV1-0015	fruit Plant & Production	A plant structure that develops from a flower and contains or protects seeds.	Pollinator Garden
PV1-0016	seed coat Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage seed coat at the Primary 1-3 level.	Raised Food Garden
PV1-0017	soil Soil / Growing Medium	The natural material in which many plants grow, containing minerals, organic matter, water and air.	ReBottle Wall Garden
PV1-0018	topsoil Soil / Growing Medium	A soil-related property, process or management concept: topsoil.	Sack GrowBag Garden
PV1-0019	sand Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sand at the Primary 1-3 level.	Ground Production Garden
PV1-0020	silt Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage silt at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0021	clay Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage clay at the Primary 1-3 level.	Alphabet Food Garden
PV1-0022	organic matter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage organic matter at the Primary 1-3 level.	Number Food Garden
PV1-0023	compost Soil / Growing Medium	Decomposed organic material used to improve growing conditions.	Geometry Garden
PV1-0024	mulch Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage mulch at the Primary 1-3 level.	Leaf Garden
PV1-0025	water Water & Irrigation	A resource plants need for growth and transport of materials.	Pollinator Garden
PV1-0026	moisture Water & Irrigation	A GrowMeal concept used to observe, describe, measure, analyze or manage moisture at the Primary 1-3 level.	Raised Food Garden
PV1-0027	drainage Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage drainage at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0028	infiltration Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage infiltration at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0029	runoff Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage runoff at the Primary 1-3 level.	Ground Production Garden
PV1-0030	irrigation Water & Irrigation	The planned application of water to plants or soil.	Discovery Production Garden
PV1-0031	drip line Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage drip line at the Primary 1-3 level.	Alphabet Food Garden
PV1-0032	container Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage container at the Primary 1-3 level.	Number Food Garden
PV1-0033	raised bed Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage raised bed at the Primary 1-3 level.	Geometry Garden
PV1-0034	growbag Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage growbag at the Primary 1-3 level.	Leaf Garden
PV1-0035	row Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage row at the Primary 1-3 level.	Pollinator Garden
PV1-0036	plot Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage plot at the Primary 1-3 level.	Raised Food Garden
PV1-0037	grid Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage grid at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0038	spacing Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage spacing at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0039	depth Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage depth at the Primary 1-3 level.	Ground Production Garden
PV1-0040	height Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage height at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0041	length Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage length at the Primary 1-3 level.	Alphabet Food Garden
PV1-0042	width Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage width at the Primary 1-3 level.	Number Food Garden
PV1-0043	area Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage area at the Primary 1-3 level.	Geometry Garden
PV1-0044	volume Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage volume at the Primary 1-3 level.	Leaf Garden
PV1-0045	mass Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage mass at the Primary 1-3 level.	Pollinator Garden
PV1-0046	count Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage count at the Primary 1-3 level.	Raised Food Garden
PV1-0047	tally Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage tally at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0048	sample Investigation & Research	A GrowMeal concept used to observe, describe, measure, analyze or manage sample at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0049	record Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage record at the Primary 1-3 level.	Ground Production Garden
PV1-0050	table Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage table at the Primary 1-3 level.	Discovery Production Garden
PV1-0051	chart Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage chart at the Primary 1-3 level.	Alphabet Food Garden
PV1-0052	graph Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage graph at the Primary 1-3 level.	Number Food Garden
PV1-0053	bar graph Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage bar graph at the Primary 1-3 level.	Geometry Garden
PV1-0054	scale Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage scale at the Primary 1-3 level.	Leaf Garden
PV1-0055	unit Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage unit at the Primary 1-3 level.	Pollinator Garden
PV1-0056	centimeter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage centimeter at the Primary 1-3 level.	Raised Food Garden
PV1-0057	meter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage meter at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0058	liter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage liter at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0059	milliliter Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage milliliter at the Primary 1-3 level.	Ground Production Garden
PV1-0060	gram Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage gram at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0061	kilogram Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage kilogram at the Primary 1-3 level.	Alphabet Food Garden
PV1-0062	temperature Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage temperature at the Primary 1-3 level.	Number Food Garden
PV1-0063	shade Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage shade at the Primary 1-3 level.	Geometry Garden
PV1-0064	sunlight Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage sunlight at the Primary 1-3 level.	Leaf Garden
PV1-0065	growth Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage growth at the Primary 1-3 level.	Pollinator Garden
PV1-0066	harvest Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage harvest at the Primary 1-3 level.	Raised Food Garden
PV1-0067	yield Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage yield at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0068	crop Plant & Production	A crop-production concept used to describe or evaluate crop.	Sack GrowBag Garden
PV1-0069	vegetable Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage vegetable at the Primary 1-3 level.	Ground Production Garden
PV1-0070	herb Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage herb at the Primary 1-3 level.	Discovery Production Garden
PV1-0071	fruit crop Plant & Production	A crop-production concept used to describe or evaluate fruit crop.	Alphabet Food Garden
PV1-0072	legume Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage legume at the Primary 1-3 level.	Number Food Garden
PV1-0073	cereal Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage cereal at the Primary 1-3 level.	Geometry Garden
PV1-0074	crop family Plant & Production	A crop-production concept used to describe or evaluate crop family.	Leaf Garden
PV1-0075	rotation Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage rotation at the Primary 1-3 level.	Pollinator Garden
PV1-0076	intercrop Plant & Production	A crop-production concept used to describe or evaluate intercrop.	Raised Food Garden
PV1-0077	weed Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage weed at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0078	pest Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage pest at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0079	beneficial insect Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage beneficial insect at the Primary 1-3 level.	Ground Production Garden
PV1-0080	habitat Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage habitat at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0081	reuse Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage reuse at the Primary 1-3 level.	Alphabet Food Garden
PV1-0082	recycle Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage recycle at the Primary 1-3 level.	Number Food Garden
PV1-0083	bottle planter Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage bottle planter at the Primary 1-3 level.	Geometry Garden
PV1-0084	vertical garden Garden Foundations	A planned growing or learning space associated with vertical garden.	Leaf Garden
PV1-0085	soilless growing Soil / Growing Medium	A soil-related property, process or management concept: soilless growing.	Pollinator Garden
PV1-0086	growing medium Soil / Growing Medium	A GrowMeal concept used to observe, describe, measure, analyze or manage growing medium at the Primary 1-3 level.	Raised Food Garden
PV1-0087	nutrient solution Soil / Growing Medium	A GrowMeal concept used to observe, describe, measure, analyze or manage nutrient solution at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0088	pH Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage ph at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0089	electrical conductivity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage electrical conductivity at the Primary 1-3 level.	Ground Production Garden
PV1-0090	reservoir Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage reservoir at the Primary 1-3 level.	Discovery Production Garden
PV1-0091	flow Water & Irrigation	A GrowMeal concept used to observe, describe, measure, analyze or manage flow at the Primary 1-3 level.	Alphabet Food Garden
PV1-0092	question Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage question at the Primary 1-3 level.	Number Food Garden
PV1-0093	prediction Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage prediction at the Primary 1-3 level.	Geometry Garden
PV1-0094	observation Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage observation at the Primary 1-3 level.	Leaf Garden
PV1-0095	comparison Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage comparison at the Primary 1-3 level.	Pollinator Garden
PV1-0096	measurement Garden Foundations	A quantified observation made using an agreed unit.	Raised Food Garden
PV1-0097	evidence Garden Foundations	Information or data used to support an explanation or decision.	ReBottle Wall Garden
PV1-0098	pattern Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage pattern at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0099	difference Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage difference at the Primary 1-3 level.	Ground Production Garden
PV1-0100	similarity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage similarity at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0101	result Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage result at the Primary 1-3 level.	Alphabet Food Garden
PV1-0102	conclusion Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage conclusion at the Primary 1-3 level.	Number Food Garden
PV1-0103	fair test Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage fair test at the Primary 1-3 level.	Geometry Garden
PV1-0104	variable Investigation & Research	A factor that can change or be measured in an investigation.	Leaf Garden
PV1-0105	basic condition Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic condition at the Primary 1-3 level.	Pollinator Garden
PV1-0106	basic response Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic response at the Primary 1-3 level.	Raised Food Garden
PV1-0107	basic measurement Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic measurement at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0108	basic record Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic record at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0109	basic indicator Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic indicator at the Primary 1-3 level.	Ground Production Garden
PV1-0110	basic value Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic value at the Primary 1-3 level.	Discovery Production Garden
PV1-0111	basic change Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic change at the Primary 1-3 level.	Alphabet Food Garden
PV1-0112	basic pattern Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic pattern at the Primary 1-3 level.	Number Food Garden
PV1-0113	basic comparison Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic comparison at the Primary 1-3 level.	Geometry Garden
PV1-0114	basic distribution Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic distribution at the Primary 1-3 level.	Leaf Garden
PV1-0115	basic performance Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic performance at the Primary 1-3 level.	Pollinator Garden
PV1-0116	basic quality Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic quality at the Primary 1-3 level.	Raised Food Garden
PV1-0117	basic status Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic status at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0118	basic management Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic management at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0119	basic requirement Engineering & Decision	A GrowMeal concept used to observe, describe, measure, analyze or manage basic requirement at the Primary 1-3 level.	Ground Production Garden
PV1-0120	basic limit Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic limit at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0121	basic target Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic target at the Primary 1-3 level.	Alphabet Food Garden
PV1-0122	basic threshold Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic threshold at the Primary 1-3 level.	Number Food Garden
PV1-0123	basic efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for basic.	Geometry Garden
PV1-0124	basic productivity Garden Foundations	A GrowMeal concept used to observe, describe, measure, analyze or manage basic productivity at the Primary 1-3 level.	Leaf Garden
PV1-0125	garden condition Garden Foundations	A planned growing or learning space associated with garden condition.	Pollinator Garden
PV1-0126	garden response Garden Foundations	A planned growing or learning space associated with garden response.	Raised Food Garden
PV1-0127	garden measurement Garden Foundations	A planned growing or learning space associated with garden measurement.	ReBottle Wall Garden
PV1-0128	garden record Garden Foundations	A planned growing or learning space associated with garden record.	Sack GrowBag Garden
PV1-0129	garden indicator Garden Foundations	A planned growing or learning space associated with garden indicator.	Ground Production Garden
PV1-0130	garden value Garden Foundations	A planned growing or learning space associated with garden value.	Discovery Production Garden
PV1-0131	garden change Garden Foundations	A planned growing or learning space associated with garden change.	Alphabet Food Garden
PV1-0132	garden pattern Garden Foundations	A planned growing or learning space associated with garden pattern.	Number Food Garden
PV1-0133	garden comparison Garden Foundations	A planned growing or learning space associated with garden comparison.	Geometry Garden
PV1-0134	garden distribution Garden Foundations	A planned growing or learning space associated with garden distribution.	Leaf Garden
PV1-0135	garden performance Garden Foundations	A planned growing or learning space associated with garden performance.	Pollinator Garden
PV1-0136	garden quality Garden Foundations	A planned growing or learning space associated with garden quality.	Raised Food Garden
PV1-0137	garden status Garden Foundations	A planned growing or learning space associated with garden status.	ReBottle Wall Garden
PV1-0138	garden management Garden Foundations	A planned growing or learning space associated with garden management.	Sack GrowBag Garden
PV1-0139	garden requirement Engineering & Decision	A planned growing or learning space associated with garden requirement.	Ground Production Garden
PV1-0140	garden limit Garden Foundations	A planned growing or learning space associated with garden limit.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0141	garden target Garden Foundations	A planned growing or learning space associated with garden target.	Alphabet Food Garden
PV1-0142	garden threshold Garden Foundations	A planned growing or learning space associated with garden threshold.	Number Food Garden
PV1-0143	garden efficiency Garden Foundations	A performance measure comparing useful output with the resource or input used for garden.	Geometry Garden
PV1-0144	garden productivity Garden Foundations	A planned growing or learning space associated with garden productivity.	Leaf Garden
PV1-0145	plant condition Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant condition at the Primary 1-3 level.	Pollinator Garden
PV1-0146	plant response Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant response at the Primary 1-3 level.	Raised Food Garden
PV1-0147	plant measurement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant measurement at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0148	plant record Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant record at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0149	plant indicator Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant indicator at the Primary 1-3 level.	Ground Production Garden
PV1-0150	plant value Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant value at the Primary 1-3 level.	Discovery Production Garden
PV1-0151	plant change Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant change at the Primary 1-3 level.	Alphabet Food Garden
PV1-0152	plant pattern Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant pattern at the Primary 1-3 level.	Number Food Garden
PV1-0153	plant comparison Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant comparison at the Primary 1-3 level.	Geometry Garden
PV1-0154	plant distribution Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant distribution at the Primary 1-3 level.	Leaf Garden
PV1-0155	plant performance Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant performance at the Primary 1-3 level.	Pollinator Garden
PV1-0156	plant quality Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant quality at the Primary 1-3 level.	Raised Food Garden
PV1-0157	plant status Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant status at the Primary 1-3 level.	ReBottle Wall Garden
PV1-0158	plant management Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant management at the Primary 1-3 level.	Sack GrowBag Garden
PV1-0159	plant requirement Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant requirement at the Primary 1-3 level.	Ground Production Garden
PV1-0160	plant limit Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant limit at the Primary 1-3 level.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0161	plant target Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant target at the Primary 1-3 level.	Alphabet Food Garden
PV1-0162	plant threshold Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant threshold at the Primary 1-3 level.	Number Food Garden
PV1-0163	plant efficiency Plant & Production	A performance measure comparing useful output with the resource or input used for plant.	Geometry Garden
PV1-0164	plant productivity Plant & Production	A GrowMeal concept used to observe, describe, measure, analyze or manage plant productivity at the Primary 1-3 level.	Leaf Garden
PV1-0165	crop condition Plant & Production	A crop-production concept used to describe or evaluate crop condition.	Pollinator Garden
PV1-0166	crop response Plant & Production	A crop-production concept used to describe or evaluate crop response.	Raised Food Garden
PV1-0167	crop measurement Plant & Production	A crop-production concept used to describe or evaluate crop measurement.	ReBottle Wall Garden
PV1-0168	crop record Plant & Production	A crop-production concept used to describe or evaluate crop record.	Sack GrowBag Garden
PV1-0169	crop indicator Plant & Production	A crop-production concept used to describe or evaluate crop indicator.	Ground Production Garden
PV1-0170	crop value Plant & Production	A crop-production concept used to describe or evaluate crop value.	Discovery Production Garden
PV1-0171	crop change Plant & Production	A crop-production concept used to describe or evaluate crop change.	Alphabet Food Garden
PV1-0172	crop pattern Plant & Production	A crop-production concept used to describe or evaluate crop pattern.	Number Food Garden
PV1-0173	crop comparison Plant & Production	A crop-production concept used to describe or evaluate crop comparison.	Geometry Garden
PV1-0174	crop distribution Plant & Production	A crop-production concept used to describe or evaluate crop distribution.	Leaf Garden
PV1-0175	crop performance Plant & Production	A crop-production concept used to describe or evaluate crop performance.	Pollinator Garden
PV1-0176	crop quality Plant & Production	A crop-production concept used to describe or evaluate crop quality.	Raised Food Garden
PV1-0177	crop status Plant & Production	A crop-production concept used to describe or evaluate crop status.	ReBottle Wall Garden
PV1-0178	crop management Plant & Production	A crop-production concept used to describe or evaluate crop management.	Sack GrowBag Garden
PV1-0179	crop requirement Plant & Production	A crop-production concept used to describe or evaluate crop requirement.	Ground Production Garden
PV1-0180	crop limit Plant & Production	A crop-production concept used to describe or evaluate crop limit.	Discovery Production Garden

ID	Term / Concept	Meaning	Garden link
PV1-0181	crop target Plant & Production	A crop-production concept used to describe or evaluate crop target.	Alphabet Food Garden
PV1-0182	crop threshold Plant & Production	A crop-production concept used to describe or evaluate crop threshold.	Number Food Garden
PV1-0183	crop efficiency Plant & Production	A performance measure comparing useful output with the resource or input used for crop.	Geometry Garden
PV1-0184	crop productivity Plant & Production	A crop-production concept used to describe or evaluate crop productivity.	Leaf Garden
PV1-0185	soil condition Soil / Growing Medium	A soil-related property, process or management concept: soil condition.	Pollinator Garden
PV1-0186	soil response Soil / Growing Medium	A soil-related property, process or management concept: soil response.	Raised Food Garden
PV1-0187	soil measurement Soil / Growing Medium	A soil-related property, process or management concept: soil measurement.	ReBottle Wall Garden
PV1-0188	soil record Soil / Growing Medium	A soil-related property, process or management concept: soil record.	Sack GrowBag Garden
PV1-0189	soil indicator Soil / Growing Medium	A soil-related property, process or management concept: soil indicator.	Ground Production Garden
PV1-0190	soil value Soil / Growing Medium	A soil-related property, process or management concept: soil value.	Discovery Production Garden
PV1-0191	soil change Soil / Growing Medium	A soil-related property, process or management concept: soil change.	Alphabet Food Garden
PV1-0192	soil pattern Soil / Growing Medium	A soil-related property, process or management concept: soil pattern.	Number Food Garden
PV1-0193	soil comparison Soil / Growing Medium	A soil-related property, process or management concept: soil comparison.	Geometry Garden
PV1-0194	soil distribution Soil / Growing Medium	A soil-related property, process or management concept: soil distribution.	Leaf Garden
PV1-0195	soil performance Soil / Growing Medium	A soil-related property, process or management concept: soil performance.	Pollinator Garden
PV1-0196	soil quality Soil / Growing Medium	A soil-related property, process or management concept: soil quality.	Raised Food Garden
PV1-0197	soil status Soil / Growing Medium	A soil-related property, process or management concept: soil status.	ReBottle Wall Garden
PV1-0198	soil management Soil / Growing Medium	A soil-related property, process or management concept: soil management.	Sack GrowBag Garden
PV1-0199	soil requirement Soil / Growing Medium	A soil-related property, process or management concept: soil requirement.	Ground Production Garden
PV1-0200	soil limit Soil / Growing Medium	A soil-related property, process or management concept: soil limit.	Discovery Production Garden

PV1-0201	soil target Soil / Growing Medium	A soil-related property, process or management concept: soil target.	Alphabet Food Garden
PV1-0202	soil threshold Soil / Growing Medium	A soil-related property, process or management concept: soil threshold.	Number Food Garden
PV1-0203	soil efficiency Soil / Growing Medium	A performance measure comparing useful output with the resource or input used for soil.	Geometry Garden
PV1-0204	soil productivity Soil / Growing Medium	A soil-related property, process or management concept: soil productivity.	Leaf Garden
PV1-0205	water condition Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water condition.	Pollinator Garden
PV1-0206	water response Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water response.	Raised Food Garden
PV1-0207	water measurement Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water measurement.	ReBottle Wall Garden
PV1-0208	water record Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water record.	Sack GrowBag Garden
PV1-0209	water indicator Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water indicator.	Ground Production Garden
PV1-0210	water value Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water value.	Discovery Production Garden
PV1-0211	water change Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water change.	Alphabet Food Garden
PV1-0212	water pattern Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water pattern.	Number Food Garden
PV1-0213	water comparison Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water comparison.	Geometry Garden
PV1-0214	water distribution Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water distribution.	Leaf Garden
PV1-0215	water performance Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water performance.	Pollinator Garden
PV1-0216	water quality Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water quality.	Raised Food Garden
PV1-0217	water status Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water status.	ReBottle Wall Garden
PV1-0218	water management Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water management.	Sack GrowBag Garden
PV1-0219	water requirement Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water requirement.	Ground Production Garden
PV1-0220	water limit Water & Irrigation	A concept used to describe, measure or manage water within the growing system: water limit.	Discovery Production Garden
